

NOTICE OF PUBLIC INFORMATION CENTRE #1
TOWN OF EAST GWILLIMBURY TRANSPORTATION MASTER PLAN

The Town of East Gwillimbury has initiated a Transportation Master Plan (TMP) Study to provide a sustainable blueprint for the planned growth of the Town over the next 30 years. This study will update the 2010 Transportation Master by building upon sustainable transportation policies and updated plans developed by York Region and the Province of Ontario.

The Town is committed to managing growth in a responsible manner, planning for the safe, efficient and reliable movement of people and goods, and ultimately achieving the Town's vision for a safe, accessible and liveable community. With these goals in mind, the TMP will guide the development of the Town's long-term, multi-modal transportation network, define policies, programs, and infrastructure required to meet the Town's mobility needs, and provide a context for transportation decisions.

THE PROCESS

This Study follows the master planning process described in the Municipal Engineers Association Municipal Class Environmental Assessment (October 2000, as amended in 2007, 2011 and 2015), including consultation with the public and stakeholders, consideration of all reasonable alternatives, a high level assessment of the effects on the environment at the network level, evaluation of alternatives highlighting advantages and disadvantages, and full documentation of the process providing a traceable rationale for conclusions reached. The Master Plan process will satisfy Phase I and II of the Municipal Class EA for recommended transportation infrastructure improvements:

- Phase I will assess existing conditions, context and challenges; and
- Phase II will develop network plans and identify triggers for different infrastructure needs, phasing of projects and an action plan.

PUBLIC INFORMATION CENTRE (PIC) #1

PIC #1 will introduce the study to you, provide information on the existing conditions and seek your input on identifying opportunities, challenges, and ideas for the future vision of transportation in the Town.

Date: Thursday March 22nd, 2018
Time: 5:30-7:30 PM: Drop-in Interactive Open House
Location: East Gwillimbury Sports Complex, Canada Hall
1914B Mount Albert Road, Sharon, ON L0G 1V0

CONTACTS
